...... HIGH SCHOOL 2024-2025 EDUCATIONAL YEAR

10TH GRADERS' 2ND TERM 2ND EXAM

Name-Sumame:....

Class :

Number :

A) Write a short blog post about your favourite festival. Describe what it is, when it is celebrated, and how people prepare for it. Explain the steps or traditions people follow during the festival. (15 P)

B) Read the text and answer the questions. (20 P)

Computers have changed a lot over the years. In the 1980s,

they were big and slow. In the 1990s, laptops became popular.

In the 2000s, smartphones appeared. Today, people use tablets

and cloud systems.

1. When did laptops become popular?

2. What do people use today?

C) Social media has both positive and negative effects. Write a short paragraph (60–80 words) about how social media affects students. Give one positive and one negative effect, and explain your opinion with a conclusion. (20 P)

D) Write a paragraph explaining why netiquette is important in online communication. Give two causes and explain their effects on communication. (20 P)

E) Read the text and underline the word "bravery." Use the sentence to guess its meaning. (15 P)

Malala showed great bravery when she continued to speak out for girls' education, even after she was attacked.

What do you think "bravery" means? Write your answer and explain which clues helped you.

F) Choose the correct meaning of the underlined word based on the context. (10 P)

Doctors Without Borders is an organization that helps people during natural disasters and wars.

What does "organization" mean in this text?

A) A problem

- B) A group of people working together
- C) A type of food
- D) A dangerous event

ANSWERS

PART A – Unit 7: Food and Festivals

Sample Answer: Ramadan Feast is my favourite festival. It comes after one month of fasting in Ramadan. Before the festival, we clean our house and prepare traditional food like baklava. On the first day, we wear clean clothes and visit our relatives. Children get pocket money and sweets. We also visit the graves of our loved ones. I love this festival because it brings the family together.

PART B – Unit 8: The Digital Era

- 1. In the 1990s.
- **2.** Tablets and cloud systems.

PART C – Unit 8: The Digital Era

Sample answer: Social media helps students to connect with friends and learn new things quickly. For example, they can watch educational videos or join study groups. However, it also has negative effects like addiction. Some students spend too much time online and don't study. In conclusion, social media is useful, but we should use it carefully.

PART D – Unit 8: The Digital Era

Sample answer: Netiquette is important because it helps people communicate politely online. One reason is that it prevents misunderstandings. For example, writing in all capital letters looks angry. Another reason is that it shows respect. When we use kind words, others feel good and respond positively. As a result, online communication becomes safe and friendly.

PART E - Unit 9: Modern Heroes and Heroines

Sample answer: "Bravery" means being brave and not afraid to do dangerous things.

PART F: Unit 9: Modern Heroes and Heroines

B) A group of people working together
